

# Global Focus<sup>®</sup> Alumni

**The only place in the world to connect with the world's best MBA alumni talent.**

**Global Focus Alumni is the only recruiting management platform** that gives you access to the world's best experienced hire MBA talent. Global Focus Alumni provides an extensive pipeline of high-performing business leaders via our exclusive partnership with the world's top-ranked MBA programs.

## **Why Global Focus<sup>®</sup> Alumni?**

**If you are looking for experienced professionals ready to lead your company, look no further.** With an average work experience of 5 to 15 years, degrees from the world's most prestigious MBA programs, and prior industry experience, these experienced hire candidates have an unmatched level of qualification.

**Centralize all sourcing, screening, outreach, tracking, and internal communication activities.** With Global Focus Alumni, you can eliminate the time and cost of unqualified talent—while at the same time improving your recruiting effectiveness. Global Focus Alumni gives you one-click access to job postings, virtual interviewing, email marketing and benchmarking to help you manage your experienced hire recruiting tasks.

## **How It Works:**

Working with each MBA alumni career services office, we provide an exclusive, school-authorized resume registration and distribution technology. The ability to participate in the program is an added value service to alumni of these select schools, and leverages their strong ties to their alma mater and alumni network. As a result our Global Focus Alumni database contains a high-performing talent pool that was previously only accessible through executive search firms.
